The period of leave is only 3 days and it is not usual to grant charge allowance for such short periods.

The Recommendation of the Director is that the D.D.P.I. may be paid charge allowance at Rs 140 for the whole period from 27th Feb to 15th March — for 17 days made up of 6 days' leave and 11 days' deputation

22) In accordance with the Fin' Secy's opinion, the D.P.I. was informed that no charge allowance is admissible for the period covered by the deputation and the leave period being short (originally expected to be 3 days & now 6 days) no allowance was allowed for this period also.

D

23) The D.P.I. points out precedents of instances in which charge allowance was allowed during deputation absence. This is true and is conceded also by the Fin. Secy; but he has held that deputation being "on duty", no allowance is strictly admissible though allowed in some cases

"B/C"

24) The one point in this case is that the deputn period comes midway between two leave periods, & the absence is continuous for 17 days In case any allowance is considered necessary it is for orders whether Rs 140/- now recommended may be sanctioned, or Rs 100 as paid to Dr Paul Chinnappa on a previous occasion, and the total 1 may be paid.

SIR,

Subject:- Grant of charge allowance to Mr.K.Srinarasimhaiya, M.A., L.T., Deputy Director of Public Instruction, Head Quarters

With reference to your letter No. 3033/C.B. 97-33-8 dated 19th March 1934, stating that no charge allowance is admissible to Mr.K.Srinarasimhaiya, during the period of my absence on deputation, I have the honor to state that I handed over charge of my office to Mr. K.Srinarasimhaiya on the afternoon of the 26th February 1934 and resumed charge on the forenoon of 17th March 1934. During the period of my absence, Mr. K.Srinarasimhaiya was doing my work in addition to his own. As there was a substantial increase of responsibility and additional work devolving upon him, he is entitled to a charge allowance under Articles 95 and 97 of - Mysore Service Regulations.

In this connection I bring to the notice of Government that, on two previous occasions under similar circumstances, the Deputy Director, Head Quarters was given charge allowance for smaller periods when he was in charge of my office. Governmemt ~~Orderx~~ in their order No. 2689-90/C.B. 75-29-2 dated 24th December 1929 were pleased to sanction charge allowance to Mr. Sultan Mohiyuddin the then Deputy Director, Head Quarters, when I went on deputation to attend the 2nd Conference of Indian Universities

Universities held at Delhi. Dr. S.P. Chinnappa was also given charge allowance during the absence of Mr. A.R.Wadia, the Officiating Director of Public Instruction on a visit to Decca for presiding over the Indian Philosophical Conference held in December 1930 (Government Order No. 4183-4/C.B. 42-30-9 dated 25th April 1931).

In the circumstances I request Government be pleased to reconsider their orders and sanction a charge allowance of Rs. 140/- per mensem from 29th February 1934 to 16th March 1934 (inclusive) to Mr.K.Srinarasimhaiya as already recommended in my D.O. letter No. 599 of 33-34 dated 17th March 1934.

Dated 30th May 1934 193

N. S. SUBBA RAO, M. A.,
BAR-AT-LAW
Director of Public Instruction.

Dear Mr. Wajid,

Mag. 9. Please refer to Government Order No.3426-27/C.B. 97-33-15 dated 8th May sanctioning for the Headquarters Deputy Director a charge allowance for the six days during which I was on leave in the months of February and March and stating that charge allowance is not admissible in respect of the period of my deputation to New Delhi in connection with the Conference of the Indian Universities.

I brought to the notice of Government that the Deputy Director had been granted charge allowance when the Director was on deputation on two occasions (vide my letter No.A2.3278-290 of 33-34 dated 28th March 1934), and that my recommendation in the present case was not therefore without precedent. The Government Order of 8th March 1934 does not say that the grant of allowance on the previous occasions was invalid. In the circumstances, I am at a loss to know how the grant of charge allowance during the period of my recent deputation is inadmissible. My Financial Assistant, who was consulted, presumes that my journey to Delhi might have been held to come under the last sentence of Article 97 of the Mysore Service Regulation. It is a matter for serious doubt if this presumption is correct since absence outside the State on deputation is quite different from absence on tour when all papers requiring final orders are sent to the officer on tour for orders and the Headquarter Assistant will not be in sole charge of the duties of the Head of the office as in the case of deputation. As I understand the rules, a charge allowance is paid to an officer in consideration of the extra work and responsibilities devolving upon him and in this case, the extra work that devolved upon my Office Deputy Director was the same during the period of my deputation as it was in the period of my leave. The first para of Article 97 seems to apply to this case clearly as in the two previous cases referred to by me.

In the circumstances, I am writing to request that you will kindly

let me know, for my guidance in future, the specific grounds on which the allowance has been adjudged inadmissible.

Yours sincerely,

K. S. Subba Rao

I am directed to invite reference to the correspondence ending with your letter No. A.2. 3278-290 of 33-34 dated 30th May 1934 in regard to the grant of charge allowance to your Head-quarters Assistant for the period of your absence on deputation to New Delhi in connection with the Conference of the Indian Universities in March 1934, ~~and directed~~ and to state that the precedents as well as the other circumstances, mentioned in your letter under advertance were before Government when the decision communicated in G.O. No. 3426-27/C.B. 97-33-15 dated 8th May 1934, was arrived at. It has been held that an allowance would be payable only when the permanent officer is an absentee and not on duty. When he is deputed to attend some meeting or conference in British India for a short period, he is on duty and cannot be regarded as an absentee, and during such period, the in-charge officer will have to do the routine work of the permanent officer without getting any allowance just as he would do if the permanent officer were absent on casual leave or on a long tour in the State.
